From The D.C Kadur Dt
No A3-C 1460-111/42-43 dt 16.10.42.

Recommends sanction to a revised estimate for Rs 400 for sinking a drinking water well in Hosakere at Sringere and to a Govt grant of Rs 200 being a moiety of the cost, the other half being met out of the provision made therefor in the Budget of the Mdly for the current year, as resolved by the Municipal Council

It is found necessary to effect certain improvements such as putting up a platform all round about the well and raising of the steining These improvements have necessitated the revision of the original estimate for Rs 278 to Rs 400/- As the Mdly is not in a position to bear the entire expenditure, a grant of Rs 200 being a moiety of the estimated cost may perhaps be given from out of the W.S grant for the current year, the other half being met out of the Municipal funds

Subject - Regarding sinking of a Drinking Water Well in Hosakeri, Sringeri Town

In forwarding herewith, the entire file of records on the above subject, received from the officer-in-charge of Sringeri Mutt and its properties, with his No C 10c/42-43, dated, 2nd October 1942, I have the honour to state that the sinking of a well at a cost of Rs 278/- at Sringeri Town was taken up by the Municipality During the course of execution, it was found necessary to make provision for raising the steining of the well to a ~~highest~~ height of 3' more and to ~~procure~~ provide a good platform around Accordingly the original estimate was raised to Rs 400/- The Municipal Council, have at their meeting held on 19th September 1942, resolved that in view of the poor finances of the Municipality, Government be requested to sanction a grant of Rs 200/- being the moiety of the estimated cost

2 In this connection, I beg to state that the Municipal Council Sringeri, have to bear several commitments, viz , maintenance charge towards Veterinary Dispensary, which was recently sanctioned and the increased expenditure for the combined Dispensary etc , a sum of Rs 300/- only is provided under "D Original Works" in the sanctioned budget of the Municipality The finances of the Municipality are so meagre that it cannot take up this work itself

3 In the circumstances, I request that sanction of Government may be kindly obtained for the grant of a sum of Rs 200/- only out of

P T O

of ater supply grants, for the sinking a well at Bringern

I have the honour to be,
Sir,
Your most obedient servant,
